In order for us to maintain strong relationships with quality insurers, we work with each to provide the type of business they desire. The Insurers with an asterisk noted above recognize our efforts through a Contingent (Profit) Commission contract. Payment of the Contingent (Profit) Commission may depend on a combination of growth, profitability (loss ratio), volume, retention and increased services that we provide on behalf of the Insurer. Contingent (Profit) Commission **is not guaranteed**. It is based on the average results over a three-year period and is not related to any one particular customer or group of customers. For detailed information on Contingent Commission, please go to the individual company's website.

Your insurer will be providing you with a Consumer Code of Rights and Responsibilities which will be forwarded to you with your policy. If you have any questions regarding this or any other aspect of your insurance please contact us.
